IMPORTANT INFORMATION ABOUT YOUR HEALTH INSURANCE

At this very exciting time . . .

We want our patients to be informed about all aspects of their care, and health insurance considerations need not detract from the excitement of a new pregnancy.

*We recommend you contact your insurance carrier before your next visit so you can clearly understand **YOUR** maternity benefits ~ both for the physicians ("professional fees") and for the hospital ("facility fees").*

We also suggest asking your insurance carrier about coverage or subsidization for parenting-related classes. Holy Cross Hospital and other community agencies offer many wonderful opportunities for your family to prepare for your new baby.

Before your next visit we will contact your insurance carrier to ascertain the specific details of your maternity benefits. Upon registering with our receptionist, you will be given a copy of the information we obtained from your insurance carrier, and we will ask you to sign an OBSTETRICAL CONTRACT.

This CONTRACT will explain your financial responsibilities surrounding your care, allowing you to best plan for the remainder of your pregnancy.

The Doctors and Staff are sincerely delighted to be sharing this exciting experience with you and will support you throughout your pregnancy.

Thank you for contacting your insurance carrier.
